

CONSTRUCTION UPDATE

HAZEN SANITARY SEWER IMPROVEMENTS

AS OF
OCTOBER 1ST
2025

The City of Hazen has contracted with CC Steel, LLC to complete the Hazen Sanitary Sewer Improvements Project. This project includes sanitary sewer televising, trenchless sanitary sewer main relining, sanitary sewer manhole rehabilitation, and some sections of sanitary sewer main replacement through excavation. The project will be completed in stages throughout the summer within the project area shown on the map.

Work that has been completed:

- Televising
- Spot repairs
- Sanitary sewer lining
- 50% of the manhole rehabilitation
- Concrete work

Work remaining:

- 50% of the manhole rehabilitation
- Asphalt patching

Timeline:

- Manhole rehabilitation is ongoing. Estimated to be complete by mid-October
- Asphalt patching will take place in the spring. Patches are brought up to finished grade for the winter.
